**ORDER REGARDING PROPOSED  
NOTICE OF CLAIM PROCEDURE  
SET FORTH IN THE COURT'S  
OCTOBER 9, 2007, ORDER**

21 MC 100 (AKH)

-----X  
ALVIN K. HELLERSTEIN, U.S.D.J.:

By Order of October 9, 2007, this Court set forth proposed procedures for claimants seeking leave to give late notice to the City, and provided an opportunity for all interested parties to submit exceptions to the Court within seven days of the Order. The October 9, 2007, Order was issued in response to the Order of September 20, 2007, issued by the Appellate Division of the New York Supreme Court, First Judicial Department, in which the Appellate Division stayed Felder v. The City of New York, Index No. 112051/05, and, sua sponte, ordered that the case be removed to this Court.

The Court has been advised by the parties that a motion seeking reargument of the September 20, 2007, Order is pending before the Appellate Division, First Department, and that the Appellate Division has entered an interim stay of the September 20, 2007 Order pending the resolution of the motion. In light of this stay, I order the parties, by joint letter, to notify the Court promptly, and in no event longer than three days' time, of all proceedings regarding the outstanding motion for reargument, and any further proceedings in the Appellate Division or the New York Court of Appeals. Pending resolution of these proceedings, this Court will defer all

rulings on the late notice of claim issue. I order all parties to desist filing additional papers on this matter with the Court until further order.

SO ORDERED.
